Dear sir or madam,

My name is Ben Cleary, and I am a Teacher-Librarian here at KIS International School, Bangkok.

We are currently recruiting for a Thai Librarian to work in our Secondary School Library, and it is our hope that you may know a recent graduate who is looking to begin their library career, or an established librarian looking for a change!

We offer a very competitive salary and excellent working conditions, and I think this would be a great opportunity for someone who wants to further their career.

We are looking for someone who is confident in their spoken and written English, and who enjoys working with young people. The role involves collection management, circulation, the ordering and cataloguing of library resources, and the day-to-day running of the library.

If you know of anybody who may be suited to this role, then we would be hugely appreciative if you could please let them know about the opportunity. My email is ben.cl@kis.ac.th , and I am happy for anyone to email me directly.

Kind regards,

Ben Cleary
