18 January 2018

RSU. 6500/38

To the Director of the School

Please find enclosed 1. Competition eligibility

2. Poster for public relations

Startup Pitching Contest 2018, hosted by DEVHUB, the startup and incubation center at Rangsit University, aims to develop Thai research and business ideas into viable products or services in the market. Students both at the high school and university levels and members of the academics are eligible to participate in this competition to present their business plans.

Rangsit University would like to invite students and academic members to take part in the Startup Pitching Contest, especially those working on innovative products or services, for a chance to receive sponsorship from the private sectors. Participants will have the opportunity to meet successful startups in IT and leading company executives from General Electric (Asia), DTAC (Thailand) and XPotential (UK), as well as DEVHUB team who will be the panel of judges to provide feedback and insights to the competing teams.

Startup Pitching Contest 2018 is part of the 3rd RSU National and International Research Conference on Science and Technology, Social Science and Humanities 2018 (RSUSSH 2018) entitled "Integrated Innovation and Startup for the Future". This event will be an academic platform for both Thai and foreign professionals to present their research findings and share valuable experiences, which can further lead to the expansion and development of business opportunities.

We encourage your school/ university to take part in the Startup Pitching Contest 2018. For more information on eligibility and application, please see details attached.

Yours sincerely,

Dr. Apiramon Ourairat

Vice President Intellectual Property (Startup) and Investment

Contact person: Ms. Anchalee Buathongchan Tel: 02-997-2220 ext 3561, 085 849 4382
